

Scholarship Recommendation Form

The student named below is applying for a Mansfield Commission for the Arts Scholarship. Your recommendation is very important to this process.

You may use this form to share your knowledge of the applicant's artistic background, experiences, community involvement, etc., that you feel will help the scholarship panel evaluate the applicant. You may use an additional sheet of paper, if needed.

Applicants are required to submit three (3) recommendations. One recommendation must be from an appropriate arts educator. All recommendations should come from teachers or people that know the scholarship applicant in a professional capacity - not family members, unless that family member also happens to be the applicant's teacher. Incomplete or late applications will not be considered for scholarship awards.
