Awards

All scholarship applications are reviewed by a grant and scholarship panel. The review panel makes recommendations for funding to the Mansfield Commission for the Arts board. The Mansfield Commission for the Arts board members will make the final determination of scholarships to be awarded. Every effort is made for the process to be impartial and fair. While the Mansfield Commission for the Arts can support applicants with reoccurring needs on an ongoing basis, current funding is not a guarantee of future awards. The number of awards given and the monetary value of the awards may depend on several factors including but not limited to current funding levels, the number of applicants, and the size of scholarship requests. Scholarship applications may receive full funding, partial funding, or no funding at the discretion of the Mansfield Commission for the Arts. All scholarship decisions are final.
